Subject: FW: Sediment Trap Design - Response to Comments, Deliberative
Attachments: [SW_SedTrap_RTC_new_comments_04.03.18_TO EPA.docx](#)

Hi Sean.

Here are the Pre-RD Group's responses to Dale Norton's comments on the Sed. Trap Design.

We can certainly capture any response Dale would like to make and I'd be happy to give him a call with one of our technical folks to do the legwork of voicing his concerns/requests and a future Pre-RD meeting over this.

Let me know.

Scott

Davis,

Attached is a memo that presents our response to the comments from Dale Norton regarding the design of the sediment traps.
